

Rushikesh Tayade

Software Engineer

7498661071 | rushikeshtayade105@gmail.com | India

SUMMARY

I am an accomplished Associate Software Engineer with a Bachelor's in Computer Science and Engineering. My expertise includes Python, Java, SQL, ETL processes, Informatica, and Tableau.

I demonstrated leadership as president of multiple college committees. I am eager to contribute my technical skills and leadership experience to a dynamic team, driving successful project outcomes.

WORK EXPERIENCE

Associate Software Engineer , Accenture, Pune, India

Apr 2024 - Aug 2024

Collaborated with cross-functional teams to design, develop, and implement scalable software solutions using Python, ETL, Informatica, and Tableau.

Key Achievements:

ETL Implementation:

Designed and implemented efficient ETL processes to extract, transform, and load data from diverse sources into the data warehouse.

Created and optimized ETL mappings using Informatica for streamlined data extraction and transformation.

Data Visualization:

Developed and maintained interactive Tableau dashboards to visualize and analyze transformed data, improving decision-making for stakeholders.
